A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority, in the exercise of their social services functions (as defined in Section 22(1) of the Children Act 1989). Previously looked after children who were looked after but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order (as defined in Section 14A of the Children Act 1989).
- "the School" means Saint Ambrose College.
- "brother" means any boy (full, half, step, adopted or foster brother) of admissions age who is residing permanently at the same address as the candidate and will be in attendance at Saint Ambrose College at the time of the proposed admissions.
- "Entrance Exam" means the entrance examination taken by boys in year 6 for entry into Year 7.
- "Roman Catholic boy" is a boy who has received the Roman Catholic sacraments of Baptism, Confession (Reconciliation) and Holy Communion. All applicants claiming to be Roman Catholics will be required to produce documentary evidence of reception of baptism when they complete the registration form to sit the entrance examination.

Application process for First Year (Year 7)

The online application will be available from mid-April with a deadline for completion of **31st August 2018**. The Entrance Exam is due to take place on **22nd September 2018**. The Entrance Exam

The Entrance Exam will consist of three elements, Verbal Reasoning, Maths and English. These tests will be marked and age standardised. Standardisation means that each candidate's score can be compared to those achieved by other children of the same age.

Access Arrangements

The Entrance Exam will take place at Saint Ambrose College; details of the arrangements for the examination will be sent to all parents who have completed the School's application form. Access arrangements for the testing can only be based on support a child regularly receives in school (normal way of working). For example, large-print test papers for visually impaired pupils, the use of magnifying aids, coloured filters, templates or the provision of a scribe to record the child's answers. Requests for access arrangements should be made at the same time as an application form is submitted to the School and should be accompanied by a current Statement of Special Educational Needs or a current School Action Plus Report (an assessment by a specialist teacher). A letter advising the candidates' normal way of working should be provided by the primary school and sent with the official Report. ALL Reports must be current and be dated no more than 2 years before the testing date. Access Arrangement requests for additional time, to a maximum of 25%, will only be approved in exceptional circumstances. Upon receipt of a request for extra time the School may contact the candidate's current primary school to obtain confirmation of the candidate's "normal way of working".

Access Arrangements must not provide an unfair advantage over others. If you think your child is eligible to Access Arrangements, you should contact the School and each case will be considered on its own merit by the School SENCO and Admissions Officer.

All paperwork/requests for Access Arrangements and/or extra time must be received by the closing date for applications.

Special Circumstance Criteria

A Special Circumstance Form is available for the purpose of reporting long-term illness affecting an applicant which can be supported by medical documentation or to report serious issues within the immediate family which may have affected the applicant prior to or on the day of the examination. A written explanation of the circumstances must be provided on or with the form.

If your child is ill on the day of the exam, please do not bring him. You should obtain a doctor's note and return this along with the Special Circumstance Form by no later than **Friday 28th September 2018**.

Oversubscription Criteria

If the number of applicants achieving the required standard for entry exceeds the Published Admissions Number, then the following over-subscription criteria will apply in the following order to decide which pupils to admit.

1. Baptised Roman Catholic boys who are designated 'looked after children' or 'previously looked after children'¹.
2. Baptised Roman Catholic boys who have a brother attending the school.
3. Baptised Roman Catholic boys whose home postcode falls within a nominated Local Pastoral Area. Details are provided in the list of Nominated Local Pastoral Areas.
4. Baptised Roman Catholic boys.
5. Other Boys who are designated 'looked after children' or 'previously looked after children'.
6. Baptised Christian boys who have a brother attending the school.
7. Baptised Christian boys practising in other Christian denominations supported by a minister's reference confirming that they are a full and active member of the Church².
8. Other boys practising in other Christian denominations supported by a minister's reference confirming that they are a full and active member of the Church.
9. Other boys

The definition of a Roman Catholic boy is a boy who has received the Roman Catholic sacraments of Baptism, Confession (Reconciliation) and Holy Communion. All applicants claiming to be Roman Catholics will be required to produce documentary evidence of reception of baptism when they complete the registration form.

In the event of over-subscription within any one of the categories, priority will be given to those boys who achieved the highest marks in the Entrance Examination. Where more than one boy has the same score then any Pupil Premium status will take priority in any category followed by the closest distance from the boy's home address³ to St Ambrose College. The distance from home to St Ambrose College will be calculated in a direct straight line from the child's permanent place of residence using co-ordinates held in Trafford's Local Land and Property Gazetteer (BS7666) and are available, on request, from Trafford's School Admissions Team. In cases where this data is not available, Royal Mail postal address Information may be used. In the case of a child living in a block of flats the coordinates for all flats in that block will be the same. If distance is tied and no Pupil premium status applies, selection would take place by a random draw witnessed by all concerned parties.

¹ A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority, in the exercise of their social services functions (as defined in Section 22(1) of the Children Act 1989). Previously looked after children who were looked after but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order (as defined in Section 14A of the Children Act 1989).

² "Full and active" means a regular churchgoer who attends more than once a month, is known to the parish priest / minister and is involved in church activities.

³ Home address means the address where the child normally and permanently lives on a full-time basis, not the address of any child-minder, grandparent or any other relative. If parents are separated and child-care arrangements are shared between two addresses the average of the distances of the two addresses from the school will be used to determine priority for admission.

Admission outside normal age Group

Consideration will be given to applications for admission outside of a boy's normal age group on an individual basis. This will take into account the child's academic, social and emotional development and factors outlined in Section 2.17 of the Schools Admissions Code (2014). Younger applicants may be considered for entry providing they are currently in a class one year ahead of their correct cohort and they achieve the qualifying score in the Entrance Examination. In-Year Admissions for Year 7 - 11

All In-Year applications should be made direct to the school.

Only one In-Year assessment process can be undertaken each academic year.

Saint Ambrose College will operate a waiting list for each full year group and will maintain a waiting list until the end of the academic year. If a place becomes available in a year group, then parents will be contacted and an entrance examination will be set to determine Grammar School suitability. Pupils who are successful in the examination will be placed in order of the over-subscription criteria and then in rank order of examination marks.

In-year transfers may cause considerable disruption to your son's academic progress especially once option choices have been made.
