

# Shabbat in the Synagogue

The Jewish holy day is known as the \_\_\_\_\_, which means the Sabbath Day, and it is a day of \_\_\_\_\_. Jews believe that this day is a gift from God as it allows them to relax. However, the \_\_\_\_\_ of God is essential at this time. It begins at sunset on Friday, lasting \_\_\_\_\_ hours overall until just after sunset on Saturday. This day is even mentioned in the Ten \_\_\_\_\_, and it is a reminder of the \_\_\_\_\_. In general, it is seen as a day when the demands of \_\_\_\_\_ can be removed temporarily & \_\_\_\_\_ can be put aside.
