

SCHOOL RULES

Every boy is expected to behave and speak in an honourable, thoughtful, and gentlemanly manner as befits a pupil of a great Catholic School. The expectation of such behaviour includes not only activities within school but on any occasion when a boy is representing the College on an organised school trip or sporting activity. This also includes travelling to or from the College.

1. Punctuality is important. Any boy not in class at the start of registration will be marked absent. A boy arriving in school after the start of the first period must sign the late book, and inform his House Tutor at the earliest opportunity. Boys must also be on time for each lesson and have a swipe card with which to register themselves for lessons.

2. A written request for leave of absence should be made by parents on behalf of their son, to the Principal. A boy who has been absent for one day or more returns to school must bring a letter of explanation to his House Tutor. Unauthorised withdrawal from the school premises is forbidden. The permission of the Head of House must be obtained to leave the campus. A specific leave of absence, e.g. to visit a doctor or dentist, requires a written request or the support of an official appointment card prior to the visit.

3. At 3.35 p.m. boys must leave the premises by the pupil exit to the buses on the school access road or to Hale Road/Wicker Lane. Boys must queue patiently and in an orderly manner at the appropriate supervised bus queue if returning home by bus.

4. Boys must vacate classrooms during morning and lunch-time breaks and must not use the playing fields unless participating in an official practice. For cafeteria service boys must queue in

an orderly manner. Boys bringing sandwiches may go directly to the eating areas without queuing.

PARTICIPATION

All boys are expected to be available for extra-curricular activities and events as and when required.

These will mainly involve official sports fixtures, practices, educational visits, choral and orchestral concerts, school drama productions and rehearsals, inter-school competitions, etc. A written note addressed to the PE/Games teacher is required if a boy needs to be excused PE/Games through illness or injury.

Any request for a boy to be excused from an extra-curricular activity should be in writing, by the parents and addressed to the Principal with the maximum possible notice being given. No boy should ever let down a school team.

The School Secretary should be notified of any change of address or telephone number.

APPEARANCE

The School reserves the right to monitor a boy's general appearance. The school uniform (blazer, tie, white shirt, black or dark grey trousers, etc.) must be worn. If a pullover is worn it should be the type supplied by the school. Only black shoes are allowed. Sports cross-over training shoes, boots, patent leather or suede shoes are not permitted. Any outlandish style of footwear or socks is prohibited. Socks should be dark in colour and of a standard length. Trainer socks or white sports socks are not permitted unless being used for sports. All students are expected to be provided with the correct games and PE kit. All items of clothing (and equipment) should be marked clearly and permanently with the owner's name. Outdoor coats must not have large stickers, slogans, words etc. Egregious hair styles are not permitted nor is any kind of earring or jewellery. Hair should not be below a minimum cut of No.3, must be off a boy's collar and be styled so that eyebrows and face are not obscured by hair. Only authorised badges may be worn on the blazer or outdoor coat. The blazer must be worn at all times in the school buildings and en route to and from school except when a teacher allows its removal in a specific classroom. Boys should be proud of the school uniform and the College and take a pride in their own appearance at all times.

ATTITUDE TO WORK

A boy is expected to work conscientiously and co-operatively to the best of his ability in all subjects. Boys should listen to homework instructions carefully and write them down in their Planners, which must be on their desks at the start of each lesson. Homework should be done neatly and conscientiously and handed in promptly when required. Boys should take good care of all books. Boys' own computer games must not be used on College computers.

HEALTH AND SAFETY

The Principal or House Tutor should be informed of any special health problem or medical condition. Boys should report any illness, accident or injury, or any dangerous situation immediately to the nearest teacher. Office staff have special responsibility for dealing with illness and injuries. Boys should make sure that they know what to do if there is an emergency or fire drill, be aware of the notice in the classroom and listen to the House Tutor's instructions. Boys must never wander onto the playing fields unless they are members of an official team supervised by a member of staff. PE/Games equipment and activities can be dangerous unless properly supervised and controlled.

RESPONSIBILITY

Boys are expected to treat School buildings, furniture, books and equipment with respect. All wilful or careless damage or loss must be paid for. Damage or breakage should be reported at once.

The safeguarding of personal property is a matter for the boy. Lockers are provided for pupils' belongings – pupils should bring in a secure padlock for this purpose. Cycles must be left in the bicycle area and secured with a good lock.

No boy must bring to school any valuables unless specific permission has been given by a teacher. Mobile phones must be switched off and not used in lessons without the specific permission of a teacher. Phones must not be used en route between lessons. Failure to adhere to this may result in temporary confiscation of the phone. Litter must be placed in the bins provided.

DISCIPLINE

A pupil who is judged to have acted against the good order, or the accepted standards of the College may incur one of the following sanctions: (a) Loss of credit in their Planners; (b) an imposition – boys may be given a Pink Slip which will accumulate and result in further sanctions (see College Behaviour Policy for full details) (c) put on report (d) given a detention (in the case of an after school detention a 24 hours' notice will normally be given) (e) internal exclusion (e) suspension from school, temporary or permanent.

Prefects are appointed to help the staff maintain good order and discipline. A brief written assignment or other punishment may be set by a prefect. Prefects must be obeyed.

It is forbidden to bring on to the school premises or have in one's possession any material which could be a source of physical or moral danger to oneself or others, or which could be considered a nuisance. Smoking is forbidden. Interference with the computer network, security system or with the fire alarm or fire appliances will be considered a serious offence. Chewing gum is banned because of disposal difficulties.

Any boy dealing in illegal drugs in the College, having them in his possession or in any way promoting them will be expelled. Strong action will be taken against anyone bringing to the College, possessing or distributing pornographic or obscene material by any means.

Bullying of any kind is not to be tolerated; general advice is given to all boys during assemblies and PSHE lessons. If you feel that you are being bullied you should see an appropriate teacher, usually your House Tutor. If you think that another boy is being bullied, it is your duty to report the matter to a teacher.

Only sixth formers are allowed out of school at lunch time.

Boys must not sell anything at all to other boys at school. It is strictly forbidden to take money off any other boy for any use.
