

Saint Ambrose College

KS4 Year 3 Report Explanation Sheet

Attendance Summary:

Attendance record since the start of the academic year in September.

- The Percentage (%) of Authorised Absences; i.e. absences approved by the school.
- The Percentage (%) of Unauthorised Absences; i.e. absences which have not been explained nor authorised.
- The Percentage (%) of Lates; i.e. late for school.

Assessment Summary:

The Subject Grade, Effort and Target Summary shows progress to date in each subject.

The grade in each subject can be compared against the target.

The target is the final GCSE examination target. Targets are aspirational and should challenge your son. Targets are generated from Key Stage 2 and CATs data and may change during the year as progress is made in his learning.

New GCSE Grades:

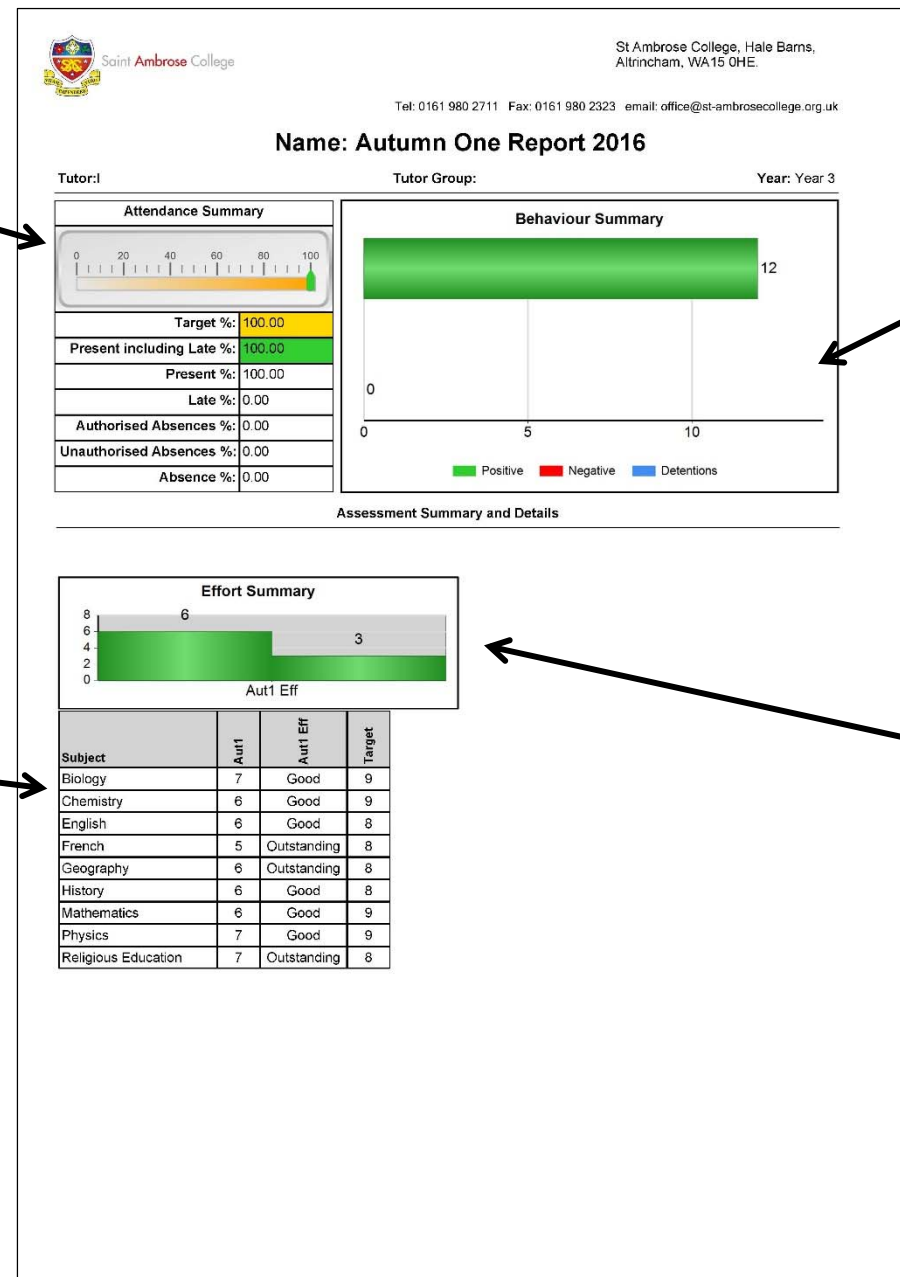

GCSE grades will now be awarded as a numbered grade 1-9.

Target grades together with the 'working at' grade are shown on the report as a number. Grade 9 is now the A** grade, grade 8 is A* and 7 is A etc.

Interventions Comments:

Comments, advice and required actions for your son to progress in his learning.

Interventions are only listed when boys are underperforming and require additional guidance.

Behaviour Summary:

Behaviour record since the start of the academic year; totals are cumulative.

The **Green Bar** chart indicates the number of House Points and Edmund Rice points accrued for good work and effort. In doing so, he is fulfilling the Eight Essentials, our core values: Concern; Compassion; Justice; Evangelisation; Spirituality; Excellence; Community and Christian calling.

The **Red Bar** chart indicates the number of negative marks, known as 'pink slips' which have been accrued.

The **Blue Bar** indicates the number of after-school detentions.

Effort Summary:

Boys are expected to make a good effort in their studies. Where that is not the case, a 'requires improvement' indicator is awarded.

The Effort Summary Chart indicates the total number of 'Good' and 'requires improvement' comments awarded by subject teachers.

Key:

Aut1: the grade at which your son is working in the first-part of the Michaelmas Term.

Aut1Eff: effort for the first-part of the Michaelmas Term.

Spr1: the grade at which your son is working in the first-half of the Lent Term.

Spr1Eff: effort for the first-half of the Lent Term.

Sum1: the grade at which your son is working in the Trinity Term.

Sum1Eff: effort for the Trinity Term.

What does an outstanding report look like?

An 'outstanding' report will have the following:

- Excellent levels of attendance and punctuality.
- An increasing number of positive behaviour marks and no negative behaviour marks or detentions served.
- Outstanding effort in all subjects.
- Grades that are steady or improving against your son's target grades.
