

1st YEAR FRENCH END OF YEAR EXAM

REVISION LIST

The 1st year summer exam will be based on the work covered in your Expo 1 text book (units 1-5) i.e. all topics, grammar points and vocabulary covered during the year. In particular, make sure you can form the je / tu / il / elle and on parts of regular 'er' verbs in the present tense, and the same for the four important irregular verbs i.e. avoir, être, aller and faire.

You will sit a listening, reading and writing paper on the above. The listening will be done in class before the half term break. The reading and writing papers will be taken in exam week as a 1 hour exam paper.

You will **NOT** have a speaking test but will be given a mark for this skill based on previous tests and your efforts to speak French in class whilst studying unit 5 in April and May.

Bonne chance
